The screenshot shows the Digi-Key Electronics website homepage. At the top, there is a navigation bar with the Digi-Key logo on the left, and links for 'United States | 1-800-344-4539', 'Change Country/Region', 'English', and 'USD' on the right. Below the navigation bar is a red banner with 'PRODUCTS', 'MANUFACTURERS', 'RESOURCES', and 'LIVE CHAT' buttons, along with a shopping cart icon showing '0 item(s)' and a 'Login or REGISTER' button.

The main content area features a large yellow headline: 'World's Largest Selection of Electronic Components Available for Immediate Shipment!®'. Below this is a search bar with 'All Products' and 'Part Number/Keyword' dropdowns, and an 'Advanced' search option. A registration prompt says 'Register now for access to exclusive benefits and tools!'. There are two promotional banners: 'NEW PRODUCTS ADDED DAILY' with a 'LEARN MORE' button, and 'SAME-DAY SHIPPING on orders entered by 8:00 pm CT' with a clock icon.

The page is organized into three columns of product categories:

- Order:** Shopping Cart, Order Status, Online Catalog, BOM Manager.
- Research:** Articles, Videos, Industrial Automation, Engineering Resources.
- Design:** Reference Designs, EDA & Design Tools, Conversion Calculators, Maker.io.

A featured product section for 'GE Series Filters' includes an image of a filter and text: 'Delta's GE series was developed for devices that need a high-level of EMI suppression. This filter series incorporates an IEC connector, and designed for a maximum continuous operating voltage of 250 VAC and current 1 A to 20 A. All part numbers are UL recognized, CSA certified, and VDE approved.' A 'Learn More' button is provided.

At the bottom, there is an 'EMAIL SIGNUP' section with the text 'Newest Products, Application and Design Ideas, and Industry Information'. Below this are logos for 'DELTA', 'BOURNS', 'Infineon', 'Nidec NIDEC COPAL ELECTRONICS', and 'STMicroelectronics'. The footer includes 'Information', 'United States', 'International', and social media icons for Facebook, Google+, LinkedIn, Twitter, YouTube, and Instagram.
