LUKOIL Commercial Fueling Card Program A Card for Every Fleet

Save time and money and manage your company's fuel expenses more efficiently with the LUKOIL Commercial Fueling Card Program, for businesses needing fuel and vehicle-related services for one or more vehicles. We'll do the work for you therefore you can focus more on growing your business. As a LUKOIL cardholder, you can:

- Save up to 6¢ per gallon at LUKOIL locations
- Easily manage company spending by using our cards as your company's only payment method for all fuel purchases
- Set spending limits for better control of costs and more security
- Use the card at all LUKOIL locations. If you should need coverage outside our area, choose the Universal Card which is also accepted at more than 90% of U.S. retail fuel locations.
