## Program Overview

### See Savings with a Universal Fleet Card

A fuel card is a powerful tool offering business owners discounts and reporting on all fleet fuel expenses. With the Universal Premium MasterCard®, your drivers can purchase fuel at any station accepting MasterCard® cards throughout the U.S., while you keep the settings and discounts that make a fleet card so beneficial to your business.

**APPLY NOW**

#### Convenience

- + Choose the lowest prices and most convenient locations for your drivers to buy fuel, anywhere MasterCard is accepted throughout the U.S.

#### Control

- + Customizable controls to help you manage fuel purchasing for each card
- + Prevents unauthorized spending with fuel-only or fuel and maintenance purchasing options
- + Easy-to-use online tools allow you to make changes at any time to keep your business fueling effectively

#### Real Cost Savings

With the Universal Premium fleet card, you can save money on every gallon of fuel!

- + Save 3¢ on every gallon of fuel purchased at Retail Savings Network locations nationwide\*
- + Save up to an additional 3¢ per gallon of fuel with our volume discounts\*\*
